PROFESSIONAL SUMMARY

MERN Stack Developer with hands-on experience designing, building, and deploying full-stack web applications using React.js, Node.js, Express.js, and MongoDB. Skilled in building scalable REST APIs, secure authentication, AI-powered features, browser push notifications, recurring scheduling systems, and responsive user interfaces. Passionate about writing clean, maintainable code and developing practical solutions with modern web technologies.

TECHNICAL SKILLS

Frontend: React.js, JavaScript (ES6+), HTML5, CSS3, Tailwind CSS, Responsive Design

Backend: Node.js, Express.js, REST APIs, JWT Authentication, Google OAuth, Cron Jobs

Database & Cloud: MongoDB, Firebase Cloud Messaging (FCM), Cloudinary

Tools: Git, GitHub, Postman, Vercel, Render, Vite

PROJECTS

Reminder App — AI-Powered MERN Reminder Application

[Live Project](#) | [GitHub](#)

React.js • Node.js • Express.js • MongoDB • JWT • Firebase • Google OAuth

- Built a production-ready MERN reminder application with secure JWT Authentication and Google OAuth.
- Developed an AI-powered natural language reminder assistant with a review-before-save workflow.
- Implemented daily, weekly, monthly, yearly, and custom recurring reminders using Cron Jobs.
- Integrated Firebase Cloud Messaging (FCM) for browser push notifications.
- Designed a fully responsive interface with reusable components, dark/light themes, and modern UI.

WorkFlow — Multi-Tenant SaaS Project Management

[Live Project](#) | [GitHub](#)

React.js • Node.js • Express.js • MongoDB • JWT

- Built a multi-tenant SaaS project management system with tenant isolation.
- Implemented role-based access control (Admin, Manager, Member).
- Developed secure REST APIs for projects, tasks, and user management.

Event Ticket Booking System

[Live Project](#) | [GitHub](#)

React.js • Node.js • Express.js • MongoDB

- Built a full-stack ticket booking platform with secure seat reservation.
- Implemented reservation expiry to prevent double booking.
- Developed REST APIs and a responsive interface.

EDUCATION

B.Sc. Computer Science

Achievers College of Commerce & Management

Mumbai University | 2025 | CGPI: 7.44
